

## A Sweet Deal For All You Parents

Love is in the air!

Valentine's Day is right around the corner and we've got your special gift all picked out and ready. We'll officially start our "Sweetheart Deal" rewards program as of next Monday, so keep your eyes peeled for the materials to be handed out in your gymnast's regular class.

The Sweetheart Deal is just as simple as it is great. We will be handing out "valentines" to each student during class with which you may address to any of your friends, neighbors, classmates, co-workers, etc. The valentine gets the referred family a free class and \$25 off when they sign up at SCATS, and

for every card received that has your name in the "from" space, you will also get a \$25 credited to your SCATS

tuition! No catch, just our way of saying "thanks" for letting others know how much your little gymnast loves SCATS.

Oh, and we should mention, too, that there is no

limit to the number of referral bonuses you can receive. If 20 kids from school sign up using valentines with your name on them, then that's \$500 credit, and all you had to do was show a little extra love around Valentine's Day.

Should you need more cards than the small stacks we will be handing out to each student during class, simply stop by the front desk and we'll give you more than enough to hand out to your heart's content. Don't wait too long to pick up extra cards, though, because we will only have them available for hand-out until the end of the month!

Happy Valentine's Day to you and yours!

## The Early Bird Gets The Discount!

Are you ready to party like it's 1979 at our "Disco Dance Party" Annual Winter Show? The dates are February 18th & 19th, and if this is the first you're hearing of it, don't fret.

There's still time to sign up and even receive a discount for doing it early!

Our annual Winter Show is a great opportunity for all SCATS gymnasts from Mighty Mites to Special Programs, to show off the skills they've worked so hard on and to perform rehearsed routines for family and friends. And you parents will have the unique opportunity to get up close and grab some GREAT photos of your gymnasts in

action! The Winter Show is like a recital in nature, but has all the same excitement of a competitive meet.

Just make sure you sign up sooner than later because our "early bird" discount only lasts through February 6th, and spots are first come first serve! To sign up for the "Disco Dance Party" Winter Show or to get more info, stop by the front desk or give us a call at (714) 895-2909 and we can secure your spot before we fill up!

Gymnastics has existed for more than 2,000 years, but its development as a competitive sport began just little more than 100 years ago. Gymnastics was introduced to the U.S. and its school systems in the 1830's by German immigrants Charles Beck, Charles Follen and Francis Lieber.

# The Academy Awards Ceremony: Now on March 10th

Attention all Academy and Junior Academy (5 yrs and older) parents: it's time for your gymnasts' hard work to be rewarded!

Please join us for our first "Academy Awards" Ceremony of 2012 at SCATS on March 10th, where your child will be honored with an achievement medal for their work in our Rewards & Recognition Program (the skill/lesson books with all the fun SCATS activities). The ceremony promises to be a lot of fun, and of course is a great opportunity for all the kids involved to take a little extra pride in their accomplishments here at SCATS.

The event is FREE for everyone—all that we require is an RSVP for your SCATS gymnast so that we may special order their medals and plan enough seating for all the families in attendance.

The RSVP deadline is Saturday, Feb-

ruary 25th. You may RSVP by phone or in person and will only need to contact us if your child plans on attending the ceremony.

The awards ceremony itself will be split into two sessions for the Junior Academy and Academy groups. The Junior Academy gymnasts will accept their medals from 2:00PM to 3:00PM, and the Academy ceremony will be conducted from 3:00PM to 4:00PM. We'll have some OPEN GYM time and refreshments, too!

If you have any questions or are unsure of which class your gymnasts are in, please feel free to call us or stop by the front desk for more information. We hope to see you and yours on March 10th!

## Presidents' Day Camps: Still Space Available

Don't forget, school is CLOSED on Monday the 13th and/or the following Monday, the 20th. How could we forget, though — many of us will still be going to work those days and trying to figure out what on *earth* to do with the kids all day!

Fortunately for you, you knew that SCATS has CAMP on BOTH of those days... or you are reading this for the first time and breathing a sigh of relief as you find out.

We still have space available for half days and full days of our energetic and renowned gymnastics camp here on both days off, so make sure you grab one of the remaining spots before we fill up!

Just give our front desk a call or stop by next time you're in the building. Then you can stop worrying about having to hire Jamey, that babysitter who sticks her gum under your coffee table while the kids play hockey in the kitchen.

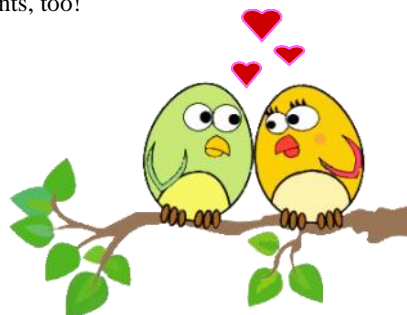

## Valentines' Night Out: Saturday, February 11th Sleepover Party: Saturday, February 25th!

Who says Valentine's Day only has to last one day a year? Not us! Celebrate on the two Saturdays in February and leave the kids at SCATS with their favorite coaches while you enjoy a romantic night out with your Valentine!

As always, expect plenty of gymnastics, games, pizza and fun. Take the night off and leave the kids with SCATS for the time of their lives.

Valentines' Night Out runs from 6 to 10PM on February 11th, and the Sleep-

over runs from 6PM to 8AM on the 25th, with an early pick-up option. Ask about sibling and member discounts, too!

## QUOTE OF THE MONTH
